For more than a decade Two Gypsy Kisses (Deux Bisous Gitans) has been transporting Bay Area audiences with their authentic, soulful styling of popular European café music. From the very first strains of the accordion you're sipping a rich Bordeaux at a sidewalk café on the Champs-Élysées. Time stands still as tenor Michael Van Why croons his way into your heart with the timeless, sentimental melodies of Edith Piaf,

Charles Aznavour, Jacques Brel and others: accompanied and artfully arranged by accordionist Sheri Mignano. Learn more about this dynamic duo at EuroCafeMusic.com . A la Bastille!
